

STUDENT RESEARCH AWARD POSTER

Formatting Guidelines

TACSM will require posters to be in portrait format. Posters should be formatted to a size of 48" high (top-to-bottom) x 36" wide (right-to-left).

Strict adherence to this requirement is especially important this year because the new poster standards will not be able to accommodate posters that are not in this format (see picture to left)

The poster should be printed on a single sheet of paper. Many universities offer this service and if your university does not, then you can contact a local FedEx Kinko's or other print shop. **NOTE: Failure to comply with these preparation guidelines will result your poster not being able to be displayed.**

Every poster presented at the TACSM should include at least the following elements:

1. Descriptive Title
2. Author Block (all authors should be listed, including professors)
3. Institution
4. Short Introduction (limited to one paragraph)
5. Methods
6. Results (should include figures and/or tables)
7. Summary Statements

** Your poster should not include your abstract as this is available to meeting attendees in the Guidebook Meeting App.

Member's Choice Poster Awards

During the annual meeting every attendee will have the opportunity to vote for their favorite posters. Voting is accomplished via the links to the individual abstracts in Guidebook. Voting will remain open until 11:00 am on Friday. After that time, the votes will be tallied and the top 10 vote getters will be recognized during the awards ceremony at 4:00PM as the recipients of the 2016 Membership Poster Awards.
